For special events we offer a variety of beverage services and solutions to compliment your event.

Cash Bar is suggested when your guests are responsible for ordering and paying for their own drinks.

Host Bar is recommended when an individual is hosting the event and is paying for all of the group's beverages. The charges will reflect the actual number of drinks consumed to be charged to the host.

Tickets are suggested when the host wants to provide a certain number of drinks to the guests. Tickets are provided to the host for them to distribute and the host is charged for the tickets accordingly.
